For optimal quality, please provide an **original image file**; 1960 x 600 is preferred to accommodate the responsive environment in which the background images are viewed.

Our system automatically resizes your image to best accommodate a variety of screen resolutions.

Some screen sizes prevent border areas of images from being fully viewed.

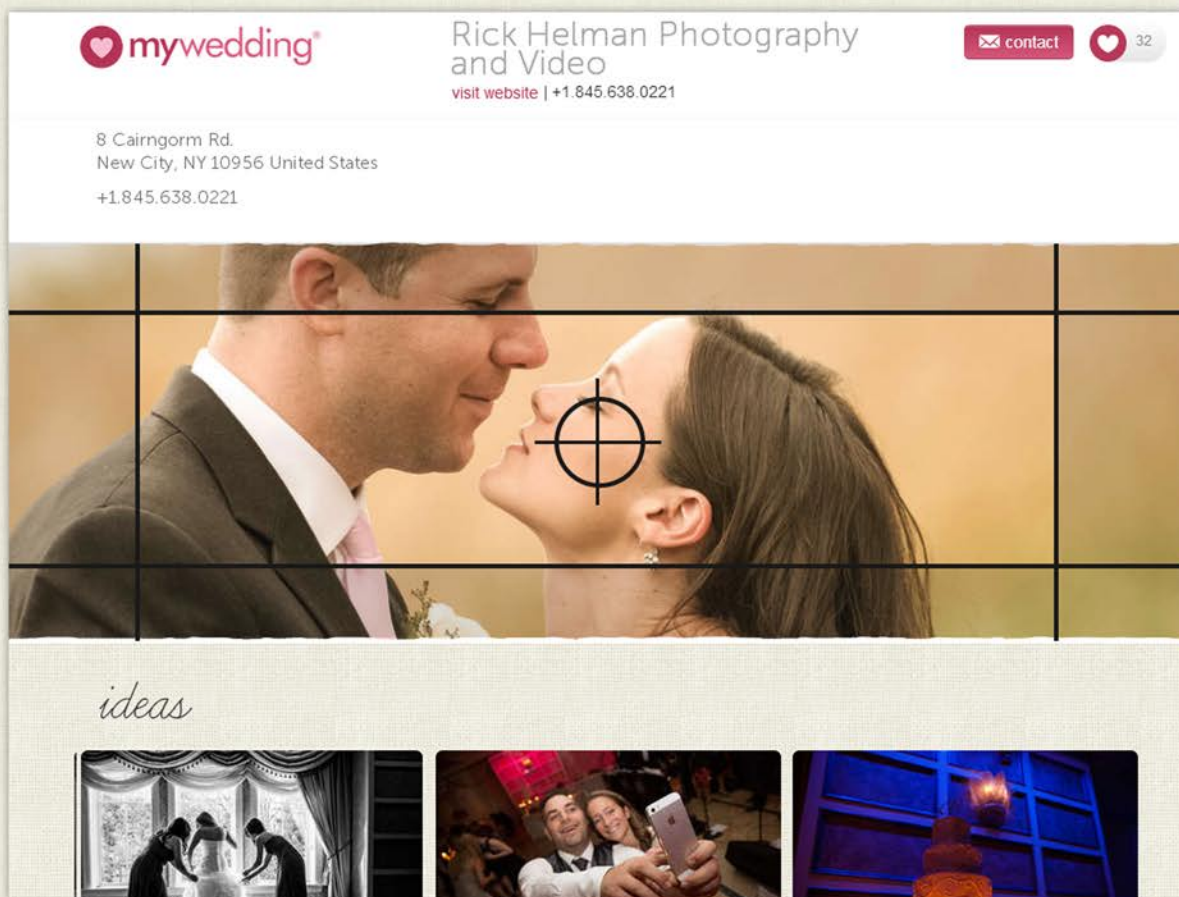

For ideal viewability, please ensure that the **image focal point is contained within the middle 50%** of the image (see below illustration).

The screenshot shows a website header for Rick Helman Photography and Video. The header includes the mywedding logo, contact information (8 Cairngorm Rd., New City, NY 10956 United States, +1.845.638.0221), a contact button, and a heart icon with the number 32. Below the header is a large image of a couple kissing, overlaid with a grid and a crosshair indicating the focal point.
